...remembers NATIONAL PREGNANCY & INFANT LOSS REMEMBRANCE DAY

Special points of interest:  
On Oct 18, Highland Memorial Park in Ocala, FL hosted its first annual *Always in My Heart Walk of Remembrance & Bubble Release* in recognition of national Pregnancy & Infant Loss Remembrance Day. 42 guests attended.  
Each participant in the walk received a ribbon on which to write their child's name and on carry with them. Upon finishing the half mile route through beautiful, historic Highland Memorial Park, walkers filed up to attach ribbons to a memorial wreath. Pink, blue and yellow ribbons will be available for participants.  
To make the remembrance a positive experience for any children who attended, Highland Memorial Park provided a variety of bubble wands and bubble blowers for the children to use to honor their loved ones and siblings.

cherish the memories, and ignore the pain, because we only have one life to live.

Special points of interest:  
On Oct 19, McGuinness Community Care hosted a *Harvest of Memories* event where guests heard stories from the year their loved one was born and then a member of each family received a beautifully framed collage scrapbook-type memento.  
"A flute player who once played with the New York Philharmonic delighted us with two gorgeous renditions of "Dance of the Blessed Spirits" and "In Remembrance of Me." The invited speaker spoke on how we can learn not to fear our emotions, whether happy or sad. Guests then enjoyed light refreshments and fellowship after the event."  
Community Care Director, Elisha Elliott

Excerpt from an update on the Carter-Trent Church Hill Fall Gospel Sing...  
"Our 1st Annual Fall Gospel Sing was a HUGE SUCCESS. Our chapel seats 162 approximately in the pews and we added about 45 chairs—the place was packed out. Everyone truly enjoyed the music and fellowship. The members of the Hawkins County Color Guard were all present and all veterans and active military were recognized as a part our charity for the event. The singing lasted from 6:00 pm - 9:00 pm and there was a capacity crowd for the full length of the event. It being a religious event, I will have to say it seemed as if everyone (staff included) received a great blessing from the singing and fellowship. We had 8 families enquire about our preneed services which our family advisor is working on as we speak.  
It was also very nice to see the staff from all 3 of our locations working together to make this event go over so well. Thank you to everyone from FPG on down who made this possible."

LOCAL SCOUTS HONOR VETERANS, THEIR SERVICE AND THEIR LEGACY.  
Boy Scout Troop 196 & Cub Scout Troop 692 placed American flags on the graves of hundreds, remembering each Veteran, their service, their lives and their memory.  
Ocala, FL – November 11, 2014  
Veterans Day is a time to honor the many men and women who have sacrificed so much, in order that we might be free.  
Local Boy Scout Troop 196 & Cub Scout Troop 692, Committee Chairperson, Bob Barton and four parent-volunteers spent the afternoon of Tuesday, November 11 honoring our veterans and military by decorating the final resting place of hundreds. With maps and flags in hand, the group paid their respects by placing American flags on gravesites – one for each of the Veterans buried at Highland Memorial Park Cemetery located at 1515 NE Third Street in Ocala.

A ceremony was held at Highland Memorial Park on Saturday to coincide with an event at 1,000 cemeteries worldwide honoring veterans on National Wreaths Across America Day.

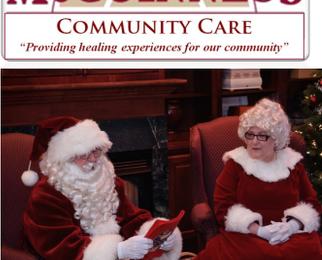

Dear Elisha & Team McGuinness...  
I wanted to let you know that you are the FIRST Funeral Home in our region to run a blood drive and now you have a proven track record of success! On behalf of the American Red Cross, please accept my thanks and congratulations on a very successful blood drive on December 2, 2014. As you know, we had 19 people register to donate and actually collected 17 donations.
